

ASSHOLE BRAIN by Jessica Heimsoth

Refrain:

I'm a pathetic loser; I suck, and no one likes me
I'm never gonna get it right
I'll never find my way
I'm a waste of time and a waste of space
And I hate the whole damn human race
And I might as well just give up now
And eat bon-bons all day

V1:

I started on this journey with a dream, a goal, a mission
Belief plan in my pocket
And the model up my sleeve
But when I didn't get the things for which I had been wishin'
I looked inside my head
And all these thoughts jumped out at me....like...

Refrain:

I'm a pathetic loser; I suck, and no one likes me
I'm never gonna get it right
I'll never find my way
I'm a waste of time and a waste of space
And I hate the whole damn human race
And I might as well just give up now
And eat bon-bons all day

V2:

More buried thoughts just bubbled up as I continued searching
I'm awkward, unintelligent,
Annoying, ugly, weird.
I don't know what I'm doing, but I know that nothing's working
The whole world's gonna laugh at me
Exactly as I feared, cause....

Refrain:

I'm a pathetic loser; I suck, and no one likes me
I'm never gonna get it right
I'll never find my way
I'm a waste of time and a waste of space
And I hate the whole damn human race
And I might as well just give up now
And eat bon-bons all day

V3:

I'm technically an expert, but who cares, if no one's listening?
The algorithm hates me, so
Why should I even share?

I don't know who my people are
There's something that I'm missing
I'll end up broke and unemployed
And no one's gonna care!....cause...

Refrain:

I'm a pathetic loser; I suck, and no one likes me
I'm never gonna get it right
I'll never find my way
I'm a waste of time and a waste of space
And I hate the whole damn human race
And I might as well just give up now
And eat bon-bons all day

V4:

On good days I switch gears and think "I'm too big for my britches.
I'm not ALLOWED to have success.
Besides, it's all dumb luck.
I'm practically identical to all the basic bitches
Oh what the hell is wrong with me?
And duckity duck duck DUUUUUCK...(children in the other room...)

Refrain:

I'm a pathetic loser; I suck, and no one likes me
I'm never gonna get it right
I'll never find my way
I'm a waste of time and a waste of space
And I hate the whole damn human race
And I might as well just give up now
And eat bon-bons all day

V5:

A few more lines and then I'm done, and thanks for your attention
Let's not forget "I hate this shit,"
And "I just don't belong."
And lastly, here are two of mine I thought I ought to mention:
"This was a dumb idea,
No one's gonna like this song...." Cause...

Refrain:

I'm a pathetic loser; I suck, and no one likes me
I'm never gonna get it right
I'll never find my way
I'm a waste of time and a waste of space
And I hate the whole damn human race
And I might as well just give up now
And eat bon-bons all day
Oh I might as well just give up now
And eat bon-bons all day.
